Dear Sir.

I should be very much obliged if you would let me know whether in one of your Society's publication appeared an article on the 1849 gold dollar.

I am in possession of one of these coins (of which I enclose a rubbing) and should

very much like to know whether it is similar to the one which fetched 7900 $ at the Lawrence sale.

Thanking you in anticipation I remain

Yours faithfully

Mr. Hubert Neumaier
Augsburg, Germany

Dear Sir:

Responding to your inquiry, the gold coin of which you enclosed a rubbing, is of a fairly common variety and not the one which sold for a large price at the Lawrence sale. Specimens in good condition can be purchased for two dollars.

I trust this gives you the information you desire.

Yours very truly,

THE AMERICAN NUMISMATIC SOCIETY

Secretary.
